**Al Rukan Al Hassan
For Trading Est.**

ABOUT US

Al-Rukan Al-Hassan For Trading Est. is a private enterprise that trades home-appliance spare parts. It was founded in 1992 in Riyadh, Saudi Arabia, and we have dedicated ourselves to being the premier source of quality spare parts for Air conditioning, Refrigeration, Washing Machines, Microwave Ovens, and Vacuum Cleaners. Our head office in Al-Naseem, Riyadh, along with our four branches across Saudi Arabia, is a testament to our commitment to accessibility and superior customer service.

Our expansion into Dubai via our sister company, the **Three Arrows Advanced Industrial Co.**, marks a significant milestone, bringing our trusted service and product range to a broader regional audience.

Vision

Our vision is to be the foremost provider of appliance spare parts in the Middle East, renowned for our quality, innovation, and sustainability.

Mission

To supply our customers with the highest quality spare parts, ensuring their needs are met efficiently and reliably. We strive to maintain and expand our presence in the market through continuous improvement, customer-centric strategies, and embracing technological advancements.

Goals

- To enhance our product range by continuously adding high-quality, innovative spare parts that meet the evolving needs of our customers.
- To expand our geographical reach within and beyond Saudi Arabia, ensuring our products and services are accessible to a broader customer base.

This catalog represents our products and our commitment to excellence, innovation, and customer satisfaction. It is a testament to our dedication to achieving our vision, mission, and goals. We are grateful for our customers and employees trust and loyalty, which propel us forward.
